### Thought for the Quarter

*If you have reasons for caring for someone  
then you are using your mind.*

*But if you care for someone for no reason,  
then you are using your heart and that is TRUE RELATION.*

## Vicar's Message

Dearly beloved in Christ,  
Greetings in the name of our Lord and Saviour Jesus Christ,

### **WHO ARE YOU?**

Have you ever asked yourself, "Who am I really?" By not knowing the answer to the question, "Who am I?", you keep on creating new identities of yourself, consequently going farther away from your true Self. All the suffering in life is because of not knowing your true identity. "Who am I?" is one of the most basic and difficult questions humans must answer. Answer to this question, should impact every aspect of our lives, including faith, vocation and family. Young people begin wrestling in earnest with identity questions during adolescence. That's why youths need to understand the process of identity formation. Identity is the culmination of how a person sees him or herself based on the input of people around him or her, as well as God's perspective toward the person. Identity is a clearly defined definition of self. Identity formation is when a young person seeks to understand who he or she is in relationship to Jesus. Our youth should live in a God-defined, Jesus-centred, gospel-driven identity. Any other identity will lead to a faulty way of living. Our life should be tied with the Christ life.

### **Your Secret Identity**

As a Mar Thoma Church member we all accepted Jesus Christ as our Savior, we have a secret identity that we may not be aware of. Can we see it? Do we know it? Or have we lost sight of who we really are? Have we forgotten who lives in our heart?

Your identity in Christ doesn't depend on your external appearance. Have you allowed other people to define you? To tell you who you are and who you aren't? God has already defined you in His perfect Son, Jesus Christ!

But we forget that identity sometimes. It's secret that we end up chasing after meaningless earthly possessions and sinful experiences to "find ourselves," to try to fit in, to try to be cool. To try and be someone we're not. Your true identity hides somewhere much more precious than things and experiences. And that identity is eternal.

You are worthy - even if you don't feel like it

Many of us feel insecure at times in life. But that's because we keep trying

to find our worth and security in the wrong things. In Christ, we are firm and secure in Him (Hebrews 6:19). He's always with us, and we'll always have the stamp of approval from Him. We never have to try harder for Him to love us more. We never have to beg Him to stay. Because all those things are a part of His character. His unshakable love is who He is. And as youth, we're a part of it too.

Once you baptized in Him, everything changes for the better. You're given a new name. Your whole identity changes because you've been rescued and redeemed from sin and darkness and welcomed into God's Kingdom. 1 Peter 2:9 says, "But you are a chosen people, a royal priesthood, a holy nation, God's special possession, that you may declare the praises of Him who called you out of darkness into His wonderful light."

### **Living with Your Identity in Christ**

Not only is it important to understand your identity, but it's important to actually live life like you know who you are. You were made in God's image (Genesis 1:27). YOU are a masterpiece of God—chosen and made by His hands. He loves you more than you can imagine (Zephaniah 3:17).

But receiving these truths requires humility. His love for us is truly unconditional, for once we have our identity in Christ, we become who we really are: Children of God. Take some time to reflect on these truths of who you are and receive them in humility.

When you see yourself as Christ sees you, others may begin to see you that way too. If you are steady and secure in your identity in Him, your actions, speech, and life will express God's love. You may find more opportunities to share the gospel, and Christ will be all the more glorified. Remember who your Father says you are, because it's in Him where your true identity can be found. You're a child of the One True God.

### **New ID**

When you identify with Christ, God gives you a new identity.

Instead of SINNER, you are called CHILD OF CHRIST.

Instead of LOST, you are called FOUND.

Instead of ENEMY, you are called FRIEND.

Instead of UNRIGHTEOUS, you are called RIGHTEOUS.

Instead of SICK, you are called HEALED.

When you understand your new identity in Christ, you'll be a stronger and more stable person. Your faith will work for you better, your prayer life will be enhanced, and you'll walk in a new level of authority with Christ.

As St. Paul's family, Let's have a new identity in Christ.

With Prayers

**Tom John Achen**

## From the Secretary's Desk...

### THEME FOR THE YEAR 2022 : HOPE : THE ANCHOR FOR LIFE

*"For I know the plans I have for you, declares the Lord, plans for welfare and not for evil, to give you a future and a hope"*  
- Jeremiah 29:11

After the two years of pandemic restrictions we are reaching to a new normal condition. Even though the fear about the pandemic and its various effects on human life is not over, people are still trying to experience the normal situation in all the walks of their life. Many people devastated physically, emotionally and financially. In the midst of all these crisis, Hope is the driving force to look forward and move on. As Christians, we anchored our Hope in our saviour, Jesus Christ who gave the assurance that I am always with you. **HOPE - THE ANCHOR FOR LIFE** is the Theme we have selected for this year. We will have different sessions at parish and organisations levels to ponder upon this subject.

We have started the programmes of the parish for the year 2022-23. Managing Committee and Parish retreats we have already conducted in July and August respectively.

We have started physical area prayer meetings in the residences and at the Church from August. Prayer partner allotted for continuous prayer support to each family. House visits are also planned in the coming months. Next four months, we have many more programmes including the visit of our mission field at Shengaoon.

The "Food for Hungry" community kitchen, which we have started during Covid 19 pandemic, has completed one year and more than 9000 packets we have distributed since 5th June 2021. We thank the generous support of our members financially and physically. Special thanks to the Preparation, Packing & Distribution volunteers.

We are getting blessed leadership from our dear Tom Achen and Manju Kohamma. The children are also lovely and very active. Let us uphold Achen & family in our prayers so that they can lead the St. Pauls family meaningfully.

Considering the various programmes planned for this year, we request everyone to Pray, Participate and Contribute so that all the programmes will be fruitful and for the glory of His kingdom.

Let us thank God for all the blessings we received and submit ourselves in His hands to grow in the Hope; which is our anchor for Life.

Hon. Secretary
